Dear Robert:

As I remember you and your brother(s) as small children, I can dispense with the formality of Mr.

Our Jan 27 Carbondale News arrived today and we are pleased to read of the clock fund going over the top.

We want to thank you for your letter of 1-14, and the information you enclosed. The Recovery Tax is going to make the whole show move a bit smoother. Glad to mention also that we have a son and daughter in law in Johnson City, N.Y. (Adams Engineering) both active in the N.Y. State Landmark (Society?) work, who have forwarded some information from the National Trust for Historic Preservation. It is encouraging that young people like you take such an interest in our project. Might add that Dave signed the contract for a new roof for the Bank this A.M.

We have also purchased from the Liberty Bank - the building next door to the Bank, to be used for garage etc space. Hope fully the exterior can be restored in a tasteful
